(A wholly owned subsidiary of Walton International Group (USA), Inc)

Notes to Financial Statements

December 31, 2010 and 2009

1. Organization

Background

Walton Securities, Inc. (the "Company"), an Arizona corporation formed on September 5, 2006, which commenced operations on September 6, 2007, is a wholly owned subsidiary of Walton International Group (USA), Inc. (the "Parent"). The Parent is a wholly owned subsidiary of Domaco Holdings, Inc. ("DHI"), which is, in turn, an indirect wholly owned subsidiary of Interborder Holdings Ltd. ("IHL"), a privately-held Alberta corporation owned by the P.J. Doherty Family Trust. IHL indirectly owns Walton International Group Inc. ("WIGI") and Walton Capital Management Inc.

Walton Securities, Inc. maintains its headquarters in Scottsdale, Arizona. The Company engages in the sale and distribution of securities exempt from registration under Regulation D of the Securities Act of 1933 ("the Act").

Nature of Operations

The Company functions as the broker-dealer for the Parent. The Company acts as the wholesale conduit for the privately placed direct participation program securities created by the Parent. Such securities are wholesaled through registered broker-dealers and are not sold directly to the public by the Company.

The Company is a registered broker-dealer under the Securities Exchange Act of 1934 and a member of the Financial Industry Regulatory Authority ("FINRA").

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America and conform to practices within the broker-dealer industry.

Cash

The Company carries its cash balances in a non-interest bearing bank account with a commercial banking institution. At times, the Company's cash balances with financial institutions exceed federally insured limits. The Company mitigates this risk by depositing funds with major financial institutions.

Securities Transactions

The Company carries no customer accounts and conducts no securities transactions directly with the public.

Income Taxes

The Company is included in the consolidated federal and state income tax return filed by DHI. Pursuant to a Tax Sharing Agreement with its Parent, the Company provides for income taxes as if it were a stand-alone taxpayer, deferred tax assets or liabilities are accounted for by the Parent, and the Company's current tax provision is calculated by applying the Parent's effective tax rate to the Company's pre-tax income. The Company's effective tax rate was 39.6% and 38.6% for the year ended December 31, 2010 and 2009, respectively. Income tax payable of \$307,180 and \$1,091,007 is included in Payable to affiliate at December 31, 2010 and 2009, respectively.

Walton Securities, Inc.

(A wholly owned subsidiary of Walton International Group (USA), Inc)

Notes to Financial Statements

December 31, 2010 and 2009

The Company adopted the authoritative guidance on accounting for and disclosure of uncertainty in tax positions on January 1, 2009, which required management to determine whether a tax position of the company is more likely than not to be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. For tax positions meeting the more likely than not threshold, the tax amount recognized in the financial statements is reduced by the largest benefit that has a greater than fifty percent likelihood of being realized upon ultimate settlement with the relevant taxing authority. Management has determined that no reserves were required for either of the years ended December 31, 2010 or 2009.

Use of Estimates

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

3. Related Party Transactions

The Company has entered into the Shared Services Agreement with the Parent dated November 30, 2006, amended and restated as of April 1, 2008, January 1, 2009, April 1, 2009, January 1, 2010 and July 1, 2010. For its services of providing records maintenance, financial reporting, and policy implementation and as an inducement to restrict its business exclusively to that of providing broker-dealer services for the offerings of its Parent and affiliated companies, the Company receives a servicing fee of 6.5% of gross sales of the offerings. Prior to July 1, 2010 the Company received a servicing fee of 9% of gross sales of the offerings.

Under the Shared Services Agreement, the Parent provides and pays for all actual costs of rent and utilities, telephone, data processing services, printing and stationary, postage and delivery, legal fees, sundry expenses and income taxes. The Company has no obligation either directly or indirectly for the expenses incurred by the Parent to provide management and administrative services pursuant to the Shared Services Agreement. The Company prepares a schedule of costs incurred by the Parent for the benefit of the Company in accordance with the requirements of Securities and Exchange Commission Rule 17a-4. As such, the Company does not record these expenses or a corresponding liability in the accompanying financial statements. The Company treats any unpaid portion of the expenses incurred by the Parent for the benefit of the Company under the Shared Services Agreement as a reduction of net worth when calculating net capital in accordance with Rule 15c3-1 of the Securities Exchange Act of 1934 ("Rule 15c3-1").

The Company also provides services as managing broker for the Parent's direct participation programs, and receives management fees determined on an offering by offering basis. The Company processes investment subscriptions for the Parent and markets to, contracts with and manages the selling group of registered broker-dealers.

Total service fees received by the Company from the Parent were \$6,386,577 and \$6,770,203 for the years ended December 31, 2010 and 2009, respectively, which are reflected in the accompanying statements of operations.

Receivable from Parent at December 31, 2010 consists of advances paid by the Company to the Parent. Such advances are non-interest bearing and payable on demand.

Walton Securities, Inc.

(A wholly owned subsidiary of Walton International Group (USA), Inc)

Notes to Financial Statements

December 31, 2010 and 2009

Payable to affiliate represents the Company's net income tax liability.

Payable to Parent at December 31, 2009 consists of advances paid by the Parent on behalf of the Company. The amount was unsecured, non-interest bearing and payable on demand, and was repaid during the year ended December 31, 2010.

The employees of the Parent assigned to the Company are covered under the Parent's benefit plans, pursuant to the employment relationship with the Parent, and are made available by the Parent under the Shared Services Agreement.

4. Net Capital Requirements

Under Rule 15c3-1 of the Securities Exchange Act of 1934 (the "Rule"), the Company operates pursuant to section (a)(2)(vi) of the Rule and is required to maintain a minimum net capital amount of the greater of 6 2/3% of aggregate indebtedness, as defined, or \$5,000. On December 31, 2010, the Company had net capital of \$2,191,109 which was \$2,124,377 in excess of the amount required and on December 31, 2009, the Company had net capital of \$3,463,647 which was \$3,327,512 in excess of the amount required.

The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph k (2) (i) of such Rule) under the Securities Exchange Act of 1934. Operating under such exemption, the Company has not prepared a Determination of Reserve Requirements for Brokers or Dealers.

5. Continued Financial Support from Parent Company

The Company relies on funding from its Parent under the terms of a Shared Services Agreement, which states that the Parent will provide all and pay for the actual cost of all administrative services to the Company as listed in Article II of the Shared Services Agreement. Effective July 1, 2010, termination of the Shared Services Agreement is scheduled to occur on the third anniversary of the Effective Date (July 1, 2013) unless renewed or terminated by mutual written consent at any time prior to the expiration of the term.

The Company believes the Parent will continue to support its operations and will abide by the terms of the Shared Services Agreement.

6. Commitments and Contingencies

The Company may become party to certain claims, legal actions and complaints arising in the normal course of business. There has been no claims, legal actions and complaints during the year ended December 31, 2010 and 2009.

7. Subsequent Events

In preparing the financial statements, the Company evaluated subsequent events occurring through February 22, 2011, the date the financial statements were issued, in accordance with the Company's procedures related to disclosures of subsequent events.
